Customer Appreciation Month (60 sec.)

MUSIC: Upbeat Romantic

ANNCR: The Melting Pot wants everyone to know how much we appreciate our customers by devoting an entire month just for them.

All September is Customer Appreciation Month where you can get our famous four-course fondue dinner for only fifty-five dollars for two.

And if you've never been a customer, even better! You'll still get the deal and you'll see for yourself what everyone's talking about.

Our fifty-five dollar dinner for two includes:

Our Boston lager chedder cheese fondue...

Choice of salad...

An entrée with our delicious filet mignon, teriyaki sirloin, chicken, salmon, ravioli and vegetables...

And for dessert, the Melting Pot's signature milk chocolate with a swirl of crunchy peanut butter.

Sponsored by Tom Martino and a portion of the proceeds go to Tom's "Make it Right" Foundation.

All September is Customer Appreciation Month. Only fifty-five dollars for two for a four-course fondue meal, and only at the Melting Pot in Littleton and Louisville.

Reservations required, make them online at Melting Pot-dot-com.
